A MESSAGE FROM THE CLUB'S LEADERSHIP

Dear Harmonie Family,

The Harmonie Club cares deeply about our staff, members, and community. When we decided to cease operations in March before the state required the closure of bars, restaurants, and other places of public accommodation, we did so out of an abundance of caution and with a heavy heart. Ultimately, in a situation where data was limited and uncertainty surrounded every decision, we felt it was prudent to take a conservative approach to operations until we had more information. Two days after we made that difficult decision, our state government ordered all non-essential businesses closed. Since that time, the Club's leadership has closely monitored the situation as it has evolved, staying up to date on government regulations and guidelines as well as industry best practices, in anticipation of reopening.

We are looking forward to beginning our phased reopening in September of 2020. Because our Club houses a variety of amenities, including dining, fitness, squash, swimming, massage, and a barbershop, we have multiple sets of regulations and guidelines to adhere to. Our senior leadership team has meticulously reviewed every aspect of our operation to implement safeguards, some clearly noticeable while others behind the scenes. Nonetheless, all are meaningful as we strive to deliver a safe work environment for our colleagues and a safe, memorable experience for our members. We have enhanced our health and safety precautions to comply with the recommendations and guidelines set by the Centers for Disease Control and Prevention (CDC), New York State and The City of New York and will continue to make adjustments accordingly.

The purpose of this document is to share the precautions underway, reopening policies, and operational adjustments in response to Covid-19. We hope we have anticipated your questions and illustrated that our efforts will meet and exceed all government guidelines and industry recommendations. We will continue to update this program as developments that benefit public health progress, and we learn how to best move forward together.

We understand that, for some individuals, coronavirus can be a deeply personal topic and there may be differing views about how to best move forward with reopening. Understandably, not everyone will be ready to return right away, but we hope that when you are ready, you will feel comfortable knowing that we have taken every step to make Harmonie the safe and comfortable environment you expect.

When the time is right for you, we will be here to warmly welcome you back!

Davina Weinstein, CCM
General Manager

Bradley Harris
Club President

HEALTH & SAFETY PRECAUTIONS

What Will You See Around the Clubhouse?

The Clubhouse will maintain its general look and feel, and we hope that all members and employees feel as welcome as ever! There will be more measures in place that promote social distancing and help enhance everyone's safety. In addition, all staff and members are reminded to adhere to the following guidelines that help keep everyone **SAFE**.

STAY home if you are sick or if you have been in close contact with someone who is sick. If you or anyone in your household is experiencing any symptoms of illness including the following, please stay home:

- Fever
- Cough
- Shortness of breath or difficult breathing
- Chills
- Repeated shaking with chills
- Muscle pain
- Headache
- Sore throat
- New loss of taste or smell

AVOID close contact with people. Members and employees are asked to maintain a safe social distance (at least six feet) from each other when reasonably possible. Employees are directed to avoid areas of the Club where they do not work. Managers will observe employee-employee and employee-member interactions as much as possible and deliver feedback and coaching when appropriate. Standard operating procedures will be revised as necessary to address close points of contact. Members will be advised to practice physical distancing by standing at least six feet away from fellow members (except family or members of the same party) and employees while in the Clubhouse. Dining tables, chairs and other physical layouts will be arranged to ensure appropriate distancing. Signage and floor markings will be in place throughout the Clubhouse to help facilitate these practices.

FACE COVERINGS In accordance with the CDC's recommendation for face coverings, the Club is requiring members and staff to wear face coverings when inside the Clubhouse. The Club will provide masks and gloves for employee use. Once indoor dining resumes, members will be allowed to remove their mask only when seated for eating and drinking. Members will be required to wear their masks when they move from their seats to use the restroom or any other reason. In compliance with NYC regulations, masks will be required during exercise in the fitness center and while in locker rooms, except when showering.

EVERY 60 MINUTES, employees should wash hands (or change gloves if using) in addition to **every** time general tasks are changed, something soiled is touched, and **every** time you cough/sneeze. Members and employees are encouraged to wash their hands and use hand sanitizer often and avoid touching their eyes, nose, and mouth. Members and employees should cough and sneeze into a tissue or elbow every time and wash your hands immediately after.

As a reminder, hand washing with soap and water for at least 20 seconds is the most effective way to combat Covid-19 risk. Also note, the use of gloves is not a sufficient substitute for good hand hygiene. Hand sanitizer should be used when hand washing is not an option but is not a substitute for washing with soap and water.

Signage: Visual reminders for health, hygiene and physical distancing practices will be displayed throughout the Clubhouse in both member and employee areas. These will include signs and floor decals reminding individuals to maintain proper distance, best practices for hand washing, and Covid-19 information. All employee areas will have bilingual signage.

Sanitizing Resources: Hand sanitizer will be placed in high traffic areas throughout the Clubhouse in member and employee spaces. The Club will have more than two dozen areas where hand sanitizer will be available. In partnership with *The Erlick Group* and [Astreea](#), well designed, touchless sanitizer dispensers will be placed in member areas that feature citrus-scented gel sanitizer with 70% ethyl alcohol formulated with Vitamin E to condition and moisturize skin.

Physical Distancing: Clear partitions will be added in appropriate areas such as food service displays and reception providing an extra level of precaution for members and employees. Members and employees will be reminded to maintain a minimum of six feet away from others wherever possible.

Personal Protective Equipment (PPE): Appropriate PPE will be required and provided to all employees based on their roles and responsibilities and in adherence to state and local guidelines. An increased stock of disposable face masks and gloves will be maintained until further notice. In addition, the Club will provide cloth masks and face shields upon request and disposable face masks to members who arrive at the Clubhouse without a face covering. There will be designated PPE trash receptacles throughout the building per NYC guidelines.

Enhanced Cleaning Procedures

The Club will train staff in elevated cleaning and disinfecting procedures. In addition, the Club has invested in electrostatic sanitizing sprayers using EPA-approved disinfectants (see Schedule A) according to CDC guidelines. All cleaning products used throughout the Clubhouse have been reviewed and a new cleaning dispensing program is being installed to make sure all areas are cleaned with the appropriate chemical and efficacy.

High touch areas such as doorknobs, elevator buttons, push plates, countertops, and restrooms will be cleaned several times each day per a new robust housekeeping schedule. Athletic areas and other shared spaces will be cleaned and disinfected after each reservation block and whenever possible and/or per NYC regulations for each area. Office spaces are equipped with sanitizing wipes for telephones and other touch point areas in the work environment. Logs of cleaning can be accessed at the lobby Reception desk.

Capital Improvements

Each year the Club reinvests in our facility. While some facility and infrastructure improvements are not seen in member-facing areas, the Club is pleased to note several capital improvements completed in preparation for our reopening.

We are in the process of installing a new reception desk. A new facility-wide upgrade of our security monitoring and camera system is being installed that will better control access to and protect the Club, its property, and our most valuable assets – its members and employees.

In the athletic areas, a new stone counter and vanity has replaced the deteriorating one in the men's pool locker room. Day lockers have been updated with knobs and mini lock boxes for valuables have been installed. The seventh floor is also receiving a much-needed painting update in the main hallway, basketball court, all three squash courts and viewing area. New carpet for the

hallway is also being installed. The pool has been drained, cleaned and re-grouted and the second-floor men’s locker room showers are being updated after receiving necessary repairs.

Other improvements less noticeable include an update to the Club’s **HVAC** system which is being integrated with [Reme Halo](#) air purifying and ionizing technology with antimicrobial and particle reducing features. This improvement will not only meet city guidelines for reducing the spread of COVID, but generally provide better air quality throughout the building. Touch free flushers for all lobby level bathroom stalls and urinals throughout the building were installed. A new hot water heat-exchange has been installed and improvements to storage areas and insulation in the sub-basement are underway.

OPERATIONAL ADJUSTMENTS

The Club will open initially with a reduced schedule and will adapt accordingly as we are able to offer more services. The opening date, facility schedule and operational guidelines will be communicated prior to opening each area of operations. Upon reopening, we are planning on the following facility schedule:

Operating Hours – *Subject to Change*

The beginning phase of reopening will feature a five-day per week operation for food service until we can resume a broader schedule.

	†Athletics	Lunch	Dinner	Bar Service
Tuesday & Friday	7:00a-7:00p	12:00-2:30p		3:00p-7:00p
Wednesday & Thursday	7:00a-8:30p	12:00-2:30p	5:30-7:30p	3:00p-8:00p
Saturday	8:00a-4:00p	11:30-2:30p		
Sunday – Monday	<i>Closed</i>			

† Athletics includes access to the Fitness Center, Squash Courts, Basketball Court, and locker rooms. These facilities will begin a phased reopening on October 14 per NYC guidelines for our facility. The pool will reopen on October 28. Please see the section on Pool & Spa in this guide to see the Pool hours of operation.

We will continue to provide scheduling updates and plan to have some additional closed “holidays” to conserve resources and provide working staff with days off for paid holidays.

Staffing & Member Capacities

Management determines staffing based on business levels while ensuring the highest standards of service. We are revising our schedules to accommodate new protocols and to promote social distancing and safety for our staff members and with their interaction with members. As such, employees and members are reminded to maintain appropriate distance when possible and wear a face covering and wash hands regularly. Especially in the dining room, fitness areas, elevators, and hallways. We will temporarily close the 7th floor Squash changing room and the 6th floor Card Room to members so that we may provide sufficient changing space to our staff members during this time. The employee lounge and locker areas in the sub-basement will be closed to staff members for the time being.

Capacities in member spaces will be reduced to ensure proper social distancing and to comply with government restrictions. We are fortunate that our Clubhouse has large, gracious spaces which will be well-suited for socially distant furniture arrangements. There will also be limitations to the amount of people permitted to use each space, including athletics, at any single time. The Club's staff is tasked with maintaining these policies and we request all members to abide by these guidelines to ensure a safe environment for everyone.

Scheduling Visits to the Club

Reservations will be required for all activities in the Clubhouse including dining and use of athletic facilities. We are in the process of building additional reservation systems for each area to enable better control of all facilities within the Clubhouse. This will facilitate social distancing, time for cleaning and disinfection, as well as information needed for contact tracing purposes in the event of a reported case of COVID-19. Reservations for most facilities and activities will be available through the Club's website, mobile app, by email or telephone.

If by chance you visit the Club without a reservation our staff will make every effort to accommodate you within our capacity limitations and while following our enhanced *Check-In Procedure*. All visits will be entered into our reservation system. This is vital to effective and practical contact tracing.

Enhanced Check-In Procedure

All members, staff, and vendors will be required to use the building's main entrance and to check-in at the new lobby reception desk. Everyone will be required to complete a Health Questionnaire prior to entering the building.

Members can visit the questionnaire here: <https://app.certify.me/HARMONIE>

Staff can visit the questionnaire here: <https://app.certify.me/EMPLOYEES>

Anyone who does not complete the questionnaire prior to arriving will have to complete it at the reception desk using a personal mobile device or a paper copy. The questionnaire is also available on our mobile app. The questionnaire is required by law.

In addition, the body temperature of everyone who enters the Clubhouse will be scanned. Anyone confirmed to have a body temperature of 100.4°F or higher will be directed to a manager and likely be asked to leave the Club and seek immediate medical care. Temperature scans will not be recorded.

Coat & Baggage Check

Coat and baggage check service will still be available in the lobby. All members, whenever possible, are encouraged to bring as few items to the Clubhouse as needed to limit contact with staff and for staff to limit contact with items that have not been regularly sanitized or laundered.

Elevators

Maintaining social distancing wherever possible is a top priority and an important tool against the spread of Covid-19. Everyone is encouraged to use the stairs whenever possible to limit being in confined elevator cars with other individuals. Members and staff must always wear a mask and everyone is asked to face forward while riding in the elevator. The maximum capacity in each type of elevator car is as follows:

	Main Passenger Cars	Handicap Lift	Service Car
Number of Persons	Four (4)	Two (2)	Four (4)

The Hub Shared Workspace

The 4th Floor Hub will be temporarily relocated to the first floor Ballroom and will be available to members for working or relaxing. The room will be set with a mixture of soft seating and well-spaced tables that allow more members to use the space while observing social distancing guidelines. Please see the below schedule of services in the Ballroom Hub:

Hours of Operation Beginning November 3, 2020

	Hub Workspace	Bar Service
Tuesday	12:00 – 5:00p	3:00 – 7:00p
Wednesday	12:00 – 5:00p	3:00 – 8:00p
Thursday	12:00 – 5:00p	3:00 – 8:00p
Friday	12:00 – 5:00p	3:00 – 7:00p
Saturday	8:00a – 4:00p	
Sunday – Monday	<i>Closed</i>	

Food & Beverage Operations

Sanitation and cleanliness are cornerstones of a successful food and beverage program. The circumstances surrounding Covid-19 have heightened our dedication to providing high quality food and service while rethinking some of our service standards and operating hours. Our phased reopening began on September 22 with outdoor dining. As of November 3, 2020 outdoor dining will be suspended and all dining will be available indoors strictly following NYC guidelines. The Main Dining Room will be available for lunch and dinner with a graciously spaced dining experience at the required 25% capacity per New York City guidelines with the following operating schedule:

Hours of Operation Beginning November 3, 2020

	Lunch	Dinner	Bar Service in the Hub
Tuesday	12:00 – 2:30pm		3:00 – 7:00pm
Wednesday	12:00 – 2:30pm	5:30 – 7:30pm	3:00 – 8:00pm
Thursday	12:00 – 2:30pm	5:30 – 7:30pm	3:00 – 8:00pm
Friday	12:00 – 2:30pm		3:00 – 7:00pm
Saturday	8:00am – 4:00pm		
Sunday – Monday	<i>Closed</i>		

You will also see these additional adjustments in our food and beverage service:

- All food and beverage staff will be required to wear face coverings.
- Menus will be available digitally using mobile devices and convenient QR codes or by single use menus upon request.
- Buffet service will be modified whenever offered to limit member and staff contact with each other and with serving utensils.
- Floorplans will be adjusted per government guidelines. You may see less seating available. Reservations are always required.
- Staff will no longer refold napkins when diners get up from their table.
- Salt and pepper shakers will be cleaned after each seating.

Card Playing

The proposed date to begin indoor card playing is subject to change as our phased reopening plans and NYC guidelines evolve. A limited number of card tables will be available in Salon A of the Main Ballroom located on the first floor of the Clubhouse. The Card Room on the sixth floor of the Clubhouse will be closed. Reservations for card tables are required. All members will be charged a card fee of \$8.00; all guests will be charged a guest fee of \$20.00 regardless of whether they dine for lunch. All guest fees will be charged to the members' accounts.

Salon A Card Tables

Tuesday – Friday

1:00p – 4:00p

Member Programming & Events

We are developing a calendar of virtual programming which will continue to be posted on the Club's events calendar located on the website and mobile app. Limited capacity on-site and off-site programming will also be added to the calendar. Private events will be temporarily suspended.

HEALTH & WELLNESS: FITNESS CENTER | COURTS | AQUATICS

Current government guidelines allow for the reopening of the Fitness Center and the squash courts under strict capacity limitations, enhanced cleaning, and extensive additional protocols. As such, the Harmonie Club has prepared the protocols explained in this safety plan. This safety plan is subject to change and will be updated as new government guidelines evolve, we continue to reopen our facilities, and gage member feedback. All facilities will be available by appointment only and reservation times must be strictly adhered to so that cleaning and sanitizing can be completed in between each use. All appointment windows include locker room time; however, we encourage members to come dressed in workout clothes when possible and minimize time spent in the locker room.

Schedules of availability will be posted on the Club's website and mobile app once our new reservation systems are ready. Members may also call the Club to check availability and make reservations. Steam rooms and the pool deck sauna will be closed until further notice, per government guidelines. The seventh-floor men's changing room will also be closed until further notice.

In preparation for reopening, all lockers were emptied, and contents bagged so that lockers could be disinfected. All members with lockers will need to retrieve their belongings from a member of the management team and confirm their locker number assignment.

Locker Rooms

Basic amenities such as shampoo, body wash and conditioner will still be available in the showers, which will be disinfected between each use per New York State guidelines. Personal care items such as shaving creams, lotions and other communal toiletries will not be available, and members should bring their own items and store them in their lockers. Towels and laundry service for rented lockers will be available.

Fitness Center

To protect the health of our members and employees, it is essential that all members adhere to the procedures that the Club has implemented, with guidance from the CDC, New York State and the City of New York, and as outlined hereunder.

Hours of Operation Beginning October 14, 2020

Tuesday & Friday	7:00am – 7:00p
Wednesday & Thursday	7:00a – 8:00p
Saturday	8:00am – 4:00p
Sunday – Monday	<i>Closed</i>

Fitness Center Reservations

- Reservations are required for all members. Reservations may be made up to five days in advance on our website or mobile app or by e-mailing fitness@harmonieclub.org, or by calling 212.355.7400.
- Reoccurring “standing reservations” are not available at this time.
- All members must check-in at the reception desk in the Main Lobby prior to your reservations. No-shows and cancellations received less than 6 hours prior to the reservation will be subject to a \$10 fee.
- Guests are not permitted at this time, including outside independent trainers and coaches. To book a Harmonie Club approved personal training session, contact fitness@harmonieclub.org.
- Fitness Center time is allocated in 90-minute increments – this includes locker room time.
- Reservations may be booked up to five days in advance.
- Please arrive no sooner than 15 minutes before your booking begins.
- Please be sure to check out at the reception desk in the Main Lobby when you have finished using the Fitness Center.

Fitness Center Use Guidelines

- No more than five members may use the fitness center at any single time.
- Before entering the fitness center, wash your hands with disinfectant soap and water (for 20 seconds or longer) or use hand sanitizer if soap and water are not readily available. Sanitizer will be available for your use.
- Face masks are required in all areas, including while working out. A limited supply of face masks will be available at the fitness center desk. Please dispose of your mask properly once your session is completed.
- Follow all directional floor signage to ensure adequate social distancing.
- Social distancing of at least six feet is always required between members and staff.
- All used accessories such as TheraBands, foam rollers, etc. should be placed in the “Used Equipment” bin.
- Follow guidelines and procedures as indicated on all posted signage.
- Food, including snacks, is not permitted in any area of the fitness center.
- Upon completion of your session, please exit the fitness center, proceed to the locker room and refrain from touching any surfaces.
- Towels will be available in the locker rooms.
- Staff will clean and sanitize the fitness center as it is used. Members are encouraged to wipe down all cardio and strength training equipment before and after each use, as well.

Squash & Basketball Courts

Squash will resume on the same date as the fitness center. To protect the health of our members and employees, all members must adhere to the procedures that the Club has implemented, with guidance from the CDC, USA Squash and the City of New York, and as outlined hereunder.

Hours of Operation Beginning October 14, 2020

Tuesday & Friday	7:00am – 7:00p
Wednesday & Thursday	7:00a – 8:00p
Saturday	8:00am – 4:00p
Sunday – Monday	<i>Closed</i>

Squash & Basketball Court Reservations

- Reservations are required for all members. Reservations may be made up to five days in advance on our website or mobile app or by e-mailing Roland@harmonieclub.org, or by calling 212.292.7370.
- Reoccurring “standing reservations” are not available at this time.
- All members must check-in at the reception desk in the Main Lobby prior to your reservations. No-shows and cancellations received less than 6 hours prior to the reservation will be subject to a \$10 fee.
- Guests are not permitted at this time.
- Court time is allocated in 45-minute increments.
- Reservations may be booked up to five days in advance.
- Please arrive no sooner than 15 minutes before your session begins.
- Please be sure to check out at the reception desk in the Main Lobby when you have finished using the Courts.

Court Facilities Use Guidelines

- No more than two players may be present on any court unless walking through court 2 to access court 3.
- Before entering the squash courts, wash your hands with disinfectant soap and water (for 20 seconds or longer) or use hand sanitizer if soap and water are not readily available. Sanitizer will be available for your use.
- Face masks are required in all areas, including while playing. A limited supply of face masks will be available at the check-in desk. Please dispose of your mask properly once your session is completed.
- Follow all directional floor signage to ensure adequate social distancing.
- Social distancing of at least six feet is always required between members and staff.
- Loaner racquets and loaner goggles will not be available.
- All used balls should be placed in the “Used Equipment” bin on the Basketball Court
- Follow guidelines and procedures as indicated on all posted signage.
- Food, including snacks, is not permitted in any area of the Court facility.
- Upon completion of your session, please exit the squash courts, proceed to the locker room and refrain from touching any surfaces.
- Towels will be provided in the locker rooms located on the second floor and pool level. The seventh-floor changing room is temporarily unavailable.

Pool & Spa

To protect the health of our members and employees, it is essential that all members adhere to the procedures that the Club has implemented, with guidance from the CDC, New York State and USA Swimming, and as outlined hereunder.

Hours of Operation – Beginning October 28, 2020

Tuesday & Friday	7:00am – 7:00p
Wednesday & Thursday	7:00a – 8:00p
Saturday	8:00am – 4:00p
Sunday – Monday	<i>Closed</i>

Pool Reservations

- Reservations are required for all members. Reservations may be made up to five days in advance on our website or mobile app or by e-mailing fitness@harmonicclub.org, or by calling 212.355.7400.
- Reoccurring “standing reservations” are not available at this time.
- All members must check-in at the reception desk in the Main Lobby prior to your reservations. No-shows and cancellations received less than 6 hours prior to the reservation will be subject to a \$10 fee.
- Guests are not permitted at this time.
- Pool time is allocated in 90-minute increments – this includes locker room time.
- Reservations may be booked up to five days in advance.
- Please arrive no sooner than 15 minutes before your booking begins.
- Please be sure to check out at the reception desk in the Main Lobby when you have finished using the Pool Area.

Pool Facilities Use Guidelines

- No more than three swimmers may be in the pool at any time.
- All bathers MUST shower before entering the pool. This will be strictly enforced.
- The hot tub/whirlpool is not available at this time.
- Before entering the pool area, wash your hands with disinfectant soap and water (for 20 seconds or longer) or use hand sanitizer if soap and water are not readily available. Sanitizer will be available for your use.
- Face masks are required when you are not in the water. A limited supply of face masks will be available at the check-in desk. Please dispose of your mask properly once your session is completed.
- Follow all directional floor signage to ensure adequate social distancing.
- Social distancing of at least six feet is always required between members and staff.
- A limited supply of shared-use equipment such as kick boards, pool buoys, and flippers will be available. These items must be retrieved from and returned to the lifeguard after use.
- Follow guidelines and procedures as indicated on all posted signage.
- Food, including snacks, is not permitted in any area of the aquatic facility.
- Upon completion of your session, please exit the pool area, proceed to the locker room and refrain from touching any surfaces when possible.
- Flip-flops or slides must be worn on the pool deck.
- Please deposit your towel in a receptacle after use. Do not leave towels on the pool deck or lounge chairs.
- The steam rooms and pool deck sauna will not be available.

RESPONSE TO EXPOSURE OR CONFIRMED CASE

Communication and contact tracing are important tools to combat the spread of Covid-19. Any employee or member who has visited the Club within fourteen (14) days must contact the Clubhouse Manager or General Manager if they begin to feel Covid-19 like symptoms, if they live with or come in contact with someone with Covid-19 like symptoms or someone who has tested positive for Covid-19. The Club will take the following actions.

Notification

1. Quickly identify the coworkers and members the individual who has tested positive/been exposed has been in close contact with within the prior five (5) days using the Club's reservation and Point of Sale systems. The CDC defines "close contact" as "a person that has been within six feet of the infected employee for a prolonged period of time."
2. Alert those who have been in close contact with the exposed individual as soon as possible. If anyone the employee has been in close contact with is at the Club, they will be asked to leave immediately.
3. Once home, we recommend that all impacted individuals find a place to self-isolate, monitor themselves for any symptoms, and talk to their doctor.
4. Once we have spoken to the individual who was exposed and their close contacts, the general membership and staff will be alerted.

The Harmonie Club is legally obligated to protect the confidentiality of both the exposed individual and anyone in the close-contact group. The General Manager or Clubhouse Manager will coordinate all notifications and related communications. Specifically, the General Manager, Davina Weinstein, or the Clubhouse Manager, Christopher McAllister, will contact all appropriate NYC and other government agencies as required by law. All personal information, including names, will be kept confidential to the extent possible.

Facility Response

1. Close off areas visited by the exposed persons and adjust operations, as necessary. Open doors and windows and use ventilating fans to increase air circulation in the area if possible.
2. Schedule a disinfectant service for areas visited by the exposed persons.
3. Clean and disinfect all areas used by the exposed persons, focusing especially on frequently touched surfaces.

Return to the Clubhouse

1. After a period of self-isolation and medical care if required, the members or employees exposed to Covid-19 will be allowed back to the Clubhouse on a case-by-case basis depending on all available information, best practices, and if government recommendations for cleaning and quarantining have been verified.

OUTLOOK FOR CONTINUED SUCCESS

The Harmonie Club is New York's second oldest club. Its history has been and will continue to be woven into the fabric of our great community. During these unprecedented times, we have reimagined what a Club can be through virtual programs that promote camaraderie and fellowship. Our special community will continue to thrive through the members and staff who reach out and express concern and compassion for the Club and its family. Although 2020 has been challenging, The Harmonie Club and its members have shown tenacity and resilience. We look forward to a robust renaissance as we approach our 175th anniversary, just six years from now, and remain committed to adding value to the lives of our members, their families, and our community and to creating a *Home Away from Home* for many years to come.
